

Nihat Abdullazade

Full stack developer

Baku, Azerbaijan

abdullazadenihat@gmail.com

0507514178

Professional Summary

Enthusiastic and dedicated Fullstack JavaScript Developer with a solid foundation in modern web technologies. Proficient in frontend technologies like React.js and backend technologies like Node.js. Skilled in creating responsive and visually appealing interfaces. Eager to leverage academic knowledge and embark on a successful career in Fullstack development. Quick learner, detail-oriented, and committed to producing high-quality code.

Education

Azerbaijan Technical University (2020-2024)

I have been studying Computer Engineering with achieving a GPA of 3.75. This education has equipped me with a strong grasp of programming languages, hardware systems, and software development.

Code Academy

Having completed the Full stack Developer program with 95-grade, I have acquired a proficient understanding of both frontend and backend technologies.

ABB Innovation

I've acquired proficiency in Typescript, Node, TypeORM, PostgreSQL, Socket.io and deploying JS projects
